DOUBLE CROSS
(Akira and Deane Thriller Series Book 3)

Zoltan Ferec rots in a secret MI6 detention centre after being captured for his failed assassination attempt in the Olympic park. MI6 agent Patrick Walker must break Ferec to gain access to his knowledge, but he has just days to do it. Will Ferec crack under the pressure or can he stay strong in the hope he will be rescued? Akira learns of Ferec's capture and looks to intervene but what are his intentions?

MI6 Chief Kevin Ramsey, dealing with the political fallout of the failed attack on London, is growing increasingly concerned about the fate of Thomas Deane and his partner William Hawk, who were sent to Russia to prevent political uprising. When word comes through, he has to act quickly to save the life of his most valuable assets but political games block his way.

For former agent Sam Olsen, he struggles to start a life away from MI6. A complicated home life with his wife Rachel makes him long for what he had. If he pursues his dream would his marriage survive?

Akira still lurks in the shadows and seizes an opportunity to prevent Deane and Hawk from crossing the borders to safety. With his faithful puppet Mikhail Salenko by his side, he continues Russia's resurgence...
